

Dear Parent,

Congratulations on your son's decision to register for Exeter Legion baseball! We are excited about the season ahead! Our organization meets every third Monday of the month at the Dunn Community Center at 8:00 p.m. These meetings are always open to everyone. Our meeting on Monday, February 15<sup>th</sup>, 2010 is our parent's meeting. If you cannot make the regular monthly meetings, please plan on joining us this night. This is a great opportunity to meet the coaches, ask questions and voice any concerns.

Now that you have registered with us, the next step is **tryouts**. Tryouts for the 13 to 15 year olds will again be coordinated with Exeter Little League and will be held at the Little League complex at the Stonersville Fire Company in April. Watch for a letter from the Little League in mid-March with more information.

**Tryouts** for the 16 to 19 year olds will be held in late April, early May. These tryouts must be coordinated with the high school so frequently check our website at [www.exeterlegionbaseball.org](http://www.exeterlegionbaseball.org) in April for more information.

Once the teams have been selected, there will be a parent/player team meeting in May to review important information regarding the upcoming season. In order to insure the continued growth and success of the program, we will be organizing several fundraisers. Lottery calendars and chicken BBQ sale tickets will be distributed at this meeting. These fundraisers must be paid in advance. We are estimating distributing a minimum of 15 lottery calendars (\$10 each) and 7 chicken bake tickets (\$8 each) per player (estimated total \$206). The final number of tickets distributed to each player will be determined once the teams are selected so please plan on paying the cost of the tickets the night of the meeting. Once you sell the tickets, you keep the money you have collected. When you sell all of the tickets, this fundraiser ends up to be no cost to you! We are also going to organize a golf tournament again this year. Last year the tournament was held in June. Please watch for more information regarding this fun event.
